RELEVANT EXPERIENCE

Galactic Explorer Project **September 2023 – December 2023**
IT Developer Capstone, Chippewa Valley Technical College

- Led a team in developing a website called Galactic Explorer that provided comprehensive space information and interactive quizzes
- Utilized Object-Oriented Programming (OOP) principles to design and implement modular, reusable code components, enhancing the project's scalability and maintainability
- Collaborated with team members to define roles, set timeframes, and establish checkpoints using GitHub and Pivotal Tracker, ensuring project milestones were met on schedule

WORK EXPERIENCE

Shipping Associate **July 2021 – September 2023**
Documation – Eau Claire, WI

- Maintained attention to detail while looking over documentation to scan for errors
- Provided creative solutions to ensure best processes for efficiency
- Skilled in time management and dedicated to improving proficiency

Sandwich Artist **June 2018 – July 2021**
Subway – Chippewa Falls, WI

- Provided exceptional customer service, addressing inquiries, and ensuring customer satisfaction
- Collaborated with team members to manage workloads efficiently, especially during high-demand periods
- Maintained excellent attendance and accountability by never missing a shift without prior arrangements
